### Tell us about yourself and your family

Your income and family size help us decide what programs you qualify for. With this information, we can make sure everyone gets the best coverage possible.

#### You must include these people on this application:

- Your spouse
- Your children who live with you
- All parents living in the home with their child
- Anyone on your federal income tax return, if you file one. You don't need to file taxes to apply for health insurance.
- ★ If you are claimed as a dependent on someone else's tax return, you must include all members of the tax filing household that claimed you and any family members living with you.
- ★ Anyone else who lives with you for example, a boyfriend, girlfriend, or roommate will need to file his or her **own** application if they want health insurance.

#### Complete Step 2 for each person in your family. Start with yourself!

- To apply for more than four people on this application, make a copy of pages 6-8 for each additional person.
- We'll keep all your information private, as required by law. We'll use personal information only to see if you qualify for health insurance. You do not need to provide the immigration status or Social Security number (SSN) for those in your family who are not applying for health insurance.

#### Your rights and responsibilities

- The information I gave on this application is true as far as I know. I know that I may be subject to a penalty if I do not tell the truth.
- I understand that the information I give will be used only to see if those in my family who are applying for health insurance will qualify.
- I understand that Covered California and the Medi-Cal program will keep my information private, as the law requires. For more information, or access to personal information in records maintained by Covered California and the Medi-Cal program, I can contact the Privacy Officer at 1-800-300-1506 (TTY: 1-888-889-4500).
- I understand that to be eligible for Medi-Cal, I am required to apply for other income or benefits to which I or any member of my household is entitled, unless he or she has good cause for not doing so. Examples of such income or benefits are pensions, government benefits, retirement income, veteran's benefits, annuities, disability benefits, Social Security benefits (also called OASDI or Old Age, Survivors, and Disability Insurance), and unemployment benefits. But such income or benefits do not include public assistance benefits, such as CalWORKs or CalFresh. If I have a question about a possible source of income, I can call Covered California at 1-800-300-1506 (TTY: 1-888-889-4500) for help.
- I know that I must tell Covered California or my county social services office about changes to anything I wrote on this application. To report changes, I can call Covered California at 1-800-300-1506 (TTY: 1-888-889-4500) or visit CoveredCA.com. Or I can call my county social services office.
- I know that Covered California must not discriminate against me or anyone on this application because of race, color, national origin, religion, age, sex, sexual orientation, marital status, veteran's status, or disability. If I think Covered California has discriminated against me, including the failure to provide reasonable accommodations as required under state and federal law, I can make a complaint by visiting www.hhs.gov/ocr/office/file or http://oag.ca.gov/ contact/general-comment-question-or-complaint-form. If I believe that Covered California has discriminated against me or anyone else on this application in connection with a Medi-Cal eligibility determination, I can also file a complaint with the Department of Health Care Services, Office of Civil Rights by calling 1-916-440-7370 (TTY: 1-916-440-7399).

- I understand that any changes in my information or information of any member(s) in the applicant's household may affect the eligibility of other members of the household.
- Except for purposes of applying for Medi-Cal, I confirm that no one applying for health insurance on this application is confined, after the disposition of charges (judgment), in a jail, prison, or similar penal institution or correctional facility.
- I understand that I must report income changes to Covered California because it may affect the amount of premium assistance (or tax credits) that I may be eligible to receive. I also understand if I receive too much premium assistance (or tax credits) during the benefit year, I will have to repay the extra premium assistance back to the IRS when I file my federal income taxes for the benefit year.
- I give my permission to Covered California to check other agencies' computer records to verify citizenship, satisfactory immigration status, tax information, and other information related only to eligibility to see if I and other people on this application qualify for health insurance.

#### If someone on the application qualifies for Medi-Cal:

 I know that if Medi-Cal pays for a medical expense, any money I or anyone on this application gets from other health insurance or legal settlements related to that expense will go to Medi-Cal as payment for the expense until the expense is paid in full.

#### For parents whose child or children qualify for Medi-Cal:

I know I will be asked to help the agency that collects medical support from any parent on this application who does not live with the child and does not send support for the child. If I think that helping will harm me or my children, I can tell the Medi-Cal program and I will not have to help.

**Your rights and responsibilities** continued on next page

## Please read and sign this application (continued)

#### Your rights and responsibilities (continued)

#### Your right to appeal:

- If I think Covered California or the Medi-Cal program has made a mistake, I can appeal its decision. To appeal means to tell someone at Covered California or the Medi-Cal program that I think its decision is wrong and ask for a fair review of the action.
- I know that I can find out how to appeal by calling 1-800-300-1506 (TTY: 1-888-889-4500).
- I know that I must file an appeal within 90 days of the decision.
- I know that I can represent myself or have someone else represent me in my appeal, such as an authorized representative, a friend, a relative, or a lawyer.
- I know that if I need help, someone at Covered California, the Medi-Cal program, or the county social services office can explain my case to me.

#### Renewal of insurance

To make it easier to continue to get health insurance in future years, I agree to allow Covered California to use computer sources, such as the IRS, to check my income. If the sources show I am still eligible, my insurance coverage can be renewed for another 12 months and I won't have to fill out a renewal form or send other paperwork.

I understand that if I choose not to allow Covered California to use computer sources, I must complete a renewal packet every 12 months in order to continue my health insurance.

#### Tell us about the health insurance you have now

Answer these questions for everyone who needs help paying for health insurance.

We need to know if anyone applying for health insurance has coverage now. You do not have to tell us about coverage that is not considered minimum essential coverage. Examples of the types of plans you don't have to tell us about are: Indian Health Service, tribal health program, urban Indian health program, flex savings plans, health savings accounts, or insurance available in another country.

We do need to know if anyone has any of the following health insurances now: COBRA, employer-sponsored insurance, Peace Corps, retiree health plan, TRICARE/CHAMPUS, veterans health program, or other health insurance. Does anyone have any of these insurances? Ves If yes fill in this page. If you need more space, attach another sheet of paper

No If no, go to page 23.					
Note: If you have private health insurance you bought on your own, check the box for "Other health insurance" under "What type?" in the table below.

#### **Employer health insurance** Answer these questions for everyone who needs help paying for health insurance.

★ We need to know about any health insurance you could get through someone's job. You can use Attachment C, Employer Insurance Form, on page 24 to help you complete this section. Answer these questions or use Attachment C only if someone in the household qualifies for health insurance from someone's job.						
Is anyone on this application offered health insurance by an employer?  This could be someone else's job, such as a parent's or a spouse's. It could also include COBRA, TRICARE, federal or state employer, private employer, or Peace Corps plans. You may have additional health insurance that you do not have to report to us. The following are examples of additional coverage (not considered minimum essential coverage) you do not have to tell us about: flex savings plans, health savings accounts, disability insurance, or insurance available in another country.  Yes If yes, answer these questions. If you need more space, attach another sheet of paper.  No If no, go back to the application to continue.

How much will the employee have to pay in premiums for that plan? \$			

<sup>\*</sup>Minimum value standard means that a plan pays at least 60% of the total cost of plan benefits provided to the employee. (Section 36B(c)(2)(C)(ii) of the Internal Revenue Code of 1986)

### **Agreement for Binding Arbitration**

#### ▶ For each person who selects a Covered California plan:

I understand that every participating health plan has its own rules for resolving disputes or claims, including, but not limited to, any claim asserted by me, my enrolled dependents, heirs, or authorized representatives against a health plan, any contracted health care providers, administrators, or other associated parties, about the membership in the health plan, the coverage for, or the delivery of, services or items, medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), or premises liability.

I understand that, if I select a health plan that requires binding arbitration to resolve disputes, I accept, and agree to, the use of binding arbitration to resolve disputes or claims (except for Small Claims Court cases and claims that cannot be subject to binding arbitration under governing law) and give up my right to a jury trial and cannot have the dispute decided in court, except as applicable law provides for judicial review of arbitration proceedings. I understand that the full arbitration provision for each participating health plan, if they have one, is in the health plan's coverage document, which is available online at **CoveredCA.com** for my review, or, I can call Covered California at **1-800-300-1506** (TTY: 1-888-889-4500) for more information.

#### ► For each person who selects a Kaiser Medi-Cal health plan:

Notice of binding arbitration: I have read the plan description. I understand that Kaiser requires the use of binding neutral arbitration to resolve certain disputes. This includes disputes about whether the right medical treatment was provided (called medical malpractice) and other disputes relating to benefits or the delivery of services, including whether any medical services provided were unnecessary or unauthorized, or were improperly, negligently, or incompetently rendered. If I pick Kaiser as my Medi-Cal health plan, I give up my constitutional right to a jury or court trial for those certain disputes. I also agree to use binding neutral arbitration to resolve those certain disputes. I do not give up my right to a state hearing of any issue, which is subject to the state hearing process.
